New Business

Red, Yellow, Green Cards

Superintendent Schumacher led the group in a discussion of Red, Yellow and Green cards, asking members to suggest things the district should Stop doing, Proceed with Caution, and Continue doing. She is conducting these conversations with teachers at site meetings and wants input from classified staff as well. As a result of these conversations, it was agreed that relevant professional development for classified staff be offered. She asked that at our next meeting we decide what would be most beneficial agenda- and scheduling-wise.

The superintendent also presented the Graduate Profile draft asking for input from classified. Will be discussed further at the November meeting.

Cafeteria Staffing

Patti updated the group on the Food Service career ladder effort. The district will be meeting with her shortly to discuss next steps regarding Food Service staff advancement on the ladder.

DO Staffing Changes

Patti informed the group on changes the district has made with CSEA's involvement regarding filling the Translator position, now a 5.5 hour position, by Marisol Poteete. She will serve as Account Clerk at the front office from 7-9:30, then move to Translator (a separate workstation) for the balance of each day. The district will post the 5.5 Account Clerk to assume those duties when Marisol translates.
