Rocky reported that CSEA Board President, Michael Bilby will be visiting our school sites on Wednesday, March 25 between 12:30-1:00 p.m. There will also be a dinner planned that evening at the Sea Chest Restaurant. Patti Stroh will send out publicity flyer to classified employees with more information.

Contract reopeners discussion: Two articles from our current contract is allowed to be re-opened for negotiation, in addition to Salary & Benefits.

It was decided that Article I (step schedule, longevity) and Article II (Health & Welfare section – revisit the District's contribution) will be on the table for negotiations.

In addition these items were added: The Association's right to have a classified representative on the annual school calendar review committee; and modify the current Grievance Article which would stipulate that a neutral arbitrator would make the final binding decision in the grievance process. (Currently the School Board makes final decision).

2015-16 Health Benefits: 2015-16 SISC Health Benefits Renewal workshop was held in San Luis Obispo today. There was no chapter member present at workshop. Bonnie Duston advised that the SISC rates will be coming out to employees this week. Chapter members will need to vote on health/medical composite or tier plans at next meeting in April. Chapter should create a health benefit committee to identify specific health plans to be offered to our classified employees. Plans must be submitted to Carolyn (payroll) by end of April.

Meeting adjourned at 4:45 p.m.

Submitted,

Bonnie Duston
Secretary

Next meeting scheduled: **Monday, April 13, 2016 4:00 p.m.**
