Dear Parents,

The Coast Union High School Guidance Department is offering a summer orientation for incoming freshman. This is a free, voluntary orientation designed to help your student get acquainted with high school. Some important topics that will be covered include: four year planning, CUHS and University graduation requirements, rules and regulations of CUHS, decision making, time management, organizational skills, college planning, how to operate your locker, the bell schedule, etc.

The workshop will be June 15, 2012 from 9:00am – 11:30 am. There will be no bus transportation and the orientation is strictly voluntarily. You must sign-up to attend so materials can be ordered. Please return the bottom portion of this letter to CUHS attention Cheryl Seay. **Deadline to sign-up is May 18, 2012.** If you have any questions, please contact Ms. Seay.

We, at CUHS, believe education is a partnership between school, parent and student. We look forward to working with you and your student the next four years.
